ASSEMBLY CAUTION

Please carefully read the following information before installation

Assembling requires at least two people

Do not tighten all screws before assembly is complete

Ensure that all accessories are complete. If not, please contact us via email

If you are missing any parts, or otherwise have any warranty issues, please contact us first.

Shortcut: A Lot of People Doing That Way

To enhance your installation process for both speed and convenience, consider removing all accessories from the box, carefully opening the packaging, and arranging everything neatly on the floor. This preparation can streamline your setup experience.

The following tools might help you improve your installation experience

- Adjustable wrenches

- Rubber hammers

- Socket set

- Electric Wrench

WARNING

Choking hazard. Small parts-Please exercise caution if small children or pets are present.

Sharp objects may be involved. Use precaution and protection.

Heavy object. Use lifting aids and proper lifting techniques when moving
